## REMOVAL REWARDS

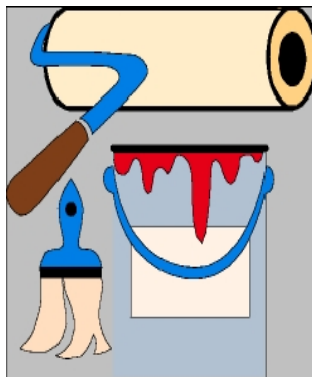

**Graffiti is not art. Graffiti is not a game. It is a crime!**

And the owner of a graffitied property is a victim.

To assist with cleanup, the Williamsburg City Council through the Codes Compliance Division will provide up to a \$50 Removal Reward to the property owners removing graffiti from their property quickly.

---

## WHY ?

**Rapid and Continual Removal is the best graffiti prevention tool.**

Graffiti is much more than words, symbols or pictures on a wall. It's about creating fame. In fact, 90% of graffiti is done to garner notoriety for the graffitist.

The longer graffiti remains, the more "respect" the graffitist receives. So the best weapon against graffiti is immediate removal. The sooner graffiti is removed, the longer it stays off.
